**We Help You to Make Your Home Life Better and Brighter!**

THAT'S our mission in business! We started out to make it easy for you to secure the kind of Furniture that makes home life worth living. We were determined that you should be given the opportunity to buy really worth while Furniture for less than it has ever been sold for before. In other words, we started a campaign of underselling that made the "old-timers" gasp—that opened the eyes of the public and that put all competitors on their mettle. As we have grown we have steadily lowered our underselling prices—the result of bigger and better buying—so that today we stand supreme as the original undersellers of dependable Furniture. Just watch our announcements and you'll find that we quote the lowest prices first—the others follow. And at the same time we say to you
